Marvin von Hagen

49 151 22612364 ✉ marvin.von-hagen@tum.de ⌂ Apianstr. 7, 85774 Unterfoehring 🗓 10/14/1999

Education

B. Sc. Management & Technology — Technical University of Munich   since 10/2018
- Specializing in Computer Science and Entrepreneurship
- Conducted a feasibility study in cooperation with TUM Hyperloop and ILF Consulting Engineers

High School Diploma — Maria-Wächtler-Gymnasium Essen   2010 – 2018
- Specialized in Mathematics and Physics
- GPA of 1.9 on a 1.0-6.0 scale
- Initiated and organized a code.org-licensed Hour of Code which is now held annually

Experience

Head of External — TUM Speakers Series   since 10/2018
- Establish first contact with potential speakers, e.g., Nobel Peace Prize Laureate Prof. Yunus
- Manage cooperations, e.g., with DLD Conference
- Lead a highly motivated team of 15 students

Research Assistant — Center for Digital Technology and Management   5/2019 – 3/2020
- Prepared courses and lectures, e.g., by creating presentations
- Assisted in lectures and research projects, e.g., by analyzing larges data sets in R
- Conducted research about affiliated startups and developed a new system to monitor them

Software Development Intern — Brockhaus AG   6 – 7/2016
- Built an automated, network-internal video conference system using Raspberry Pis

Awards

Hackathons

AngelHack in San Francisco	Winning team of the ConsenSys Blockchain Challenge
hackaTUM	Winning team of the T-Mobile IT-Security Challenge

Competitions

National Computer Science Competition Germany	1st Prize
Jugend forscht	1st Prize
Pangea Mathematics Competition	7th-placed out of 2,615 students

Interests & Activities

In my spare time, I enjoy playing soccer and volunteering in associations, e.g., START Munich. Apart from that, I try to broaden my mind by attending university camps, e.g., at WHU or HPI, and events like TEDx or Bits & Pretzels.
