MARVIN VON HAGEN

✉ marvin.von-hagen@tum.de ☎ 49 151 22612364 ⌂ Apianstr. 7, 85774 Unterfoehring ▦ 10/14/1999

Education

B. Sc. Management & Technology — Technical University of Munich *since 10/2018*

• Conducted a feasibility study in cooperation with TUM Hyperloop and ILF Consulting Engineers

• Specializing in Computer Science and Entrepreneurship, GPA of 2.2 on a 1.0-5.0 scale

High School Diploma — Maria-Wächtler-Gymnasium Essen *8/2010 – 7/2018*

• Initiated and organized a code.org-licensed Hour of Code which is now held annually

• Specialized in Mathematics and Physics, GPA of 1.9 on a 1.0-6.0 scale

Experience

Head of External — TUM Speakers Series *Member since 10/2018, Head since 4/2020*

At TUM Speakers Series, volunteering students host events with world leaders, e.g., Bill Gates.

• Establishing first contact with potential speakers, e.g., Nobel Peace Prize Laureate Prof. Yunus

• Managing cooperations, e.g., with DLD Conference

• Co-leading a highly motivated team of 20 students

Research Assistant — Center for Digital Technology and Management *5/2019 – 3/2020*

CDTM is a Munich-based research institute founded as a joint initiative by MIT and TUM in 1998.

• Conducted extensive research about affiliated startups and developed a new monitoring system

• Assisted in research projects, e.g., by analyzing large data sets in R

• Prepared courses and lectures, e.g., by creating presentations

Software Development Intern — Brockhaus AG *6 – 7/2016*

• Built an automated, network-internal video conference system based on Raspberry Pis

Awards

AngelHack, San Francisco	Winning Team of the ConsenSys Blockchain Challenge
hackaTUM	Winning Team of the T-Mobile IT Security Challenge
Jugend forscht	1st Prize
National Computer Science Competition	1st Prize
Pangea Mathematics Competition	7th-Placed out of 2,615 Students

Interests & Activities

In my spare time, I enjoy playing soccer and volunteering in associations such as START Munich. Apart from that, I try to broaden my mind by attending university camps, e.g., at WHU or HPI, and events like TEDx or Bits & Pretzels.
